Arbor Day is a day to celebrate trees and we have plenty of them for you to see and enjoy at the Lawrence Nature Center and Drexel Woods. This hike is sponsored by the Lawrence Township Shade Tree Advisory Committee and the *Friends of the Lawrence Nature Center*. We will take a walk around the nature center property pointing out some of the wonderful trees that were planted decades ago by the previous owners, Lucille and Carl Rinck. Ask an expert about these trees, their significance and care, or what trees would be ideal for your property.

This program will be from 6:30 p.m. to approximately 7:30 p.m. Children must be accompanied by an adult. Dress appropriately for the weather conditions; boots are highly recommended.

Registration is required. Please call the Lawrence Township Recreation Department at (609) 844-7067 to register.
